

Rotary/PEF/Love Foundation 2020-2021 Classroom Enrichment Grant

The 2020-2021 Classroom Enrichment Grants are offered through a partnership of the Rotary Club of Evansville, the Public Education Foundation and the Love Foundation.

Level I grants: Up to \$750 (Single classroom project) Limit one (1) request per applicant.
Level II grants: Up to \$2500 (Collaboration of 2 or more teachers from multiple classes, grade levels, or schools) **A limit of two (2) Level II grants may be submitted per school. There is no limit on the number of Level I grants per school that may be submitted.**

The primary objectives of these grants are to encourage innovative and creative instructional activities that will enrich the educational experience of students; to impact as many students as possible; to put funds into the hands of teachers which would not ordinarily be available; and to give teachers as much flexibility as possible.

The Education Grant Committee **encourages** the following:

- Activities that are truly creative and original
- Collaborative efforts among teachers within or between schools (Level II grants **must** reflect collaboration between teachers from two or more classes, grade levels or schools, in order to be considered.)
- Projects that demonstrate long-term educational benefits
- Projects that are manageable and achievable in the 2020-2021 school year
- Projects that will credit the three granting organizations
- Projects that teach or promote values (i.e., respect, caring, honesty, responsibility)

The Education Grant Committee **discourages** the following:

- Funding transportation and travel
- Refreshments or incentives (e.g., meals, t-shirts, prizes)
- Purchasing equipment and supplies which should ordinarily be supplied by the school
- Requests for equipment not directly related to a specific academically-based project
- Projects in which our funding plays a minor part
- Projects with the largest portion of the budget devoted to non-academic materials
- Funding for salaries (Stipends for after-school or training activities may be considered.)
